

Daffodil International University  
Department of Electrical and Electronic Engineering  
Faculty of Engineering  
**Date: 06 June, 2024**

## **NOTICE**

### **Short Semester-2024**

All the students of the department of EEE are being notified that the Short Semester-2024 will be started from 22.06.2024.

#### **Note that:**

1. All the students need to report to the department on 22.06.2024 for their short semester activities. The detail of activities will be shared soon.
2. The students can register up to 8 credits **retake** courses in the short semester. To register courses in short semester, no registration fee will be needed. Students need to pay only the respective course fees.
3. Students having failed courses in any of the previous semester **must** register for the retake courses in short semester. Retake courses will not be allowed to register in regular semesters.
