# Faculty and Programs

## Undergraduate Programs

### Faculty of Science and Information Technology (FSIT)

- B.Sc. in Computer Science (CS)
- B.Sc. in Computer Science and Engineering (CSE)
- B.Sc. in Computing and Information System (CIS)
- B.Sc. in Environmental Science and Disaster Management (ESDM)
- B.Sc. in Software Engineering (SWE)
- B.Sc. in Multimedia and Creative Technology (MCT)

### Faculty of Business and Economics (FBE)

- Bachelor of Business Administration (BBA)
- Bachelor of Business Studies (BBS)
- Bachelor of Real Estate (BRE)
- Bachelor of Tourism and Hospitality Management (BTHM)
- Bachelor of Entrepreneurship (BE)

### Faculty of Humanities and Social Science (FHSS)

- Bachelor of Arts (Hons) in English
- Bachelor of Law (Hons) (LLB)
- BSS (Hons) in Journalism and Mass Communication

### Faculty of Allied Health Sciences

- Bachelor of Pharmacy (Hons)
- B.Sc. in Nutrition and Food Engineering (NFE)

### Faculty of Engineering (FE)

- B.Sc. in Electronics and Telecommunication Engineering (ETE)
- B.Sc. in Electrical and Electronic Engineering (EEE)
- B.Sc. in Textile Engineering (TE)
- Bachelor in Architecture (B. Arch)
- B.Sc. in Civil Engineering

### Proposed

- Bachelor of Science in Agriculture
- Bachelor of Science in Transportation Engineering
- Bachelor of Science in Microbiology
- Bachelor of Science in Bio-Technology
- Bachelor of Science in Genetic Engineering
- Bachelor of Social Science (honors) in Economics
- Bachelor of Physical Education and Sports Science (PESS)
- Bachelor of Speech and Language Therapy (SLT)

## Postgraduate Programs

### Faculty of Science and Information Technology (FSIT)

- M.Sc. in Computer Science and Engineering (CSE)
- M.Sc. in Management Information System (MIS)
- M.Sc. in Software Engineering (SWE)

### Faculty of Business and Economics (FBE)

- Master of Business Administration (MBA) (Regular)
- Master of Business Administration (MBA) (Executive)

### Faculty of Humanities and Social Science (FHSS)

- Master of Arts in English
- Master of Law (LLM)
- MSS in Journalism and Mass Communication
- MSS in Development Studies
- PGD in Information Science and Library Management

### Faculty of Allied Health Sciences

- Master of Public Health
- Master of Pharmacy

### Faculty of Engineering (FE)

- M.Sc. in Electronics and Telecommunication Engineering
- M.Sc. in Textile Engineering

### Affiliated Programs

- CISCO Academy
- ORACLE Academy
- Prometric Testing Centre
- Redhat Academy
- ISTQB
- SUN Academic Initiative Program
- Certified Wireless Network Administrator (CWNA)
- Microsoft IT Academy
- Daffodil Institute of Languages (DIL)

# The Capital City Dhaka:

**Dhaka**, located at the geographic centre of the Bangladesh, is the capital & largest city in Bangladesh. Set beside the Buriganga River, it is becoming the hub of the nation's commercial, cultural & educational activities. With world heritage sites, historical monuments, amazing food & a diverse population of 18.89 million, Dhaka is a bustling city that never fails to surprise.

Once a commercial centre for the Mughal Empire, Dhaka has seen many ups & downs. It was one of the most prosperous cities in the Indian subcontinent, that later became the capital of East Pakistan. By the 21st century Dhaka emerged as megacity with tremendous social & economic diversity that Daffodil International University hopes to contribute to further.

## Climate:

The climate is mainly tropical, with heavy rainfall and bright sunshine in the monsoon and warm for the greater part of the year. The winter months, from November to March, are however, most likeable, cool and pleasant.

▼ Scenic view of Dhaka city

### Places to visit:

- Lalbagh Fort
- Ahsan Manzil
- Star Mosque
- National Museum
- Liberation War Museum
- National Parliament

### Transport:

- Rickshaw
- CNG (Engine Tricycle)
- Bus
- Taxi/Uber/Pathao
- Train
- Car

### Market Places:

- Basundhara City
- New Market
- Jamuna Future Park
- Stadium Market
- North Tower
- Pink City etc.

### Fruits:

- Jackfruit
- Mango
- Guava
- Litchi
- Banana etc...

### Sports:

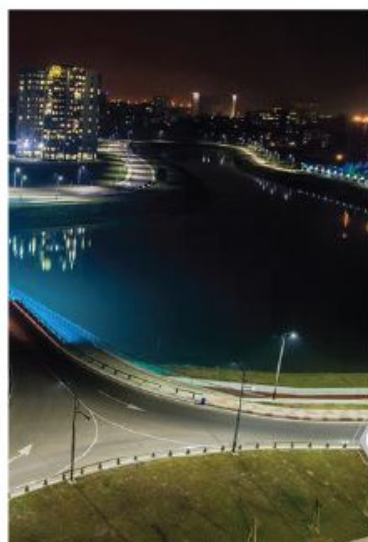

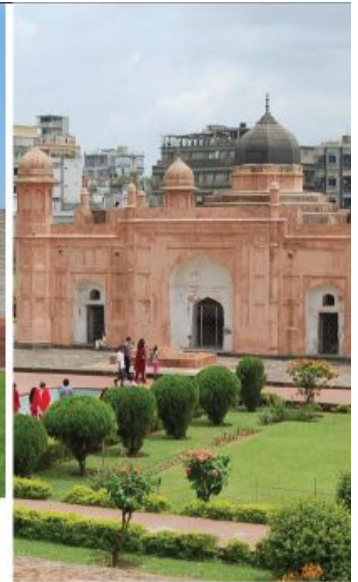

- Cricket
- Football
- Tennis
- Kabadi
- Badminton

### Culture:

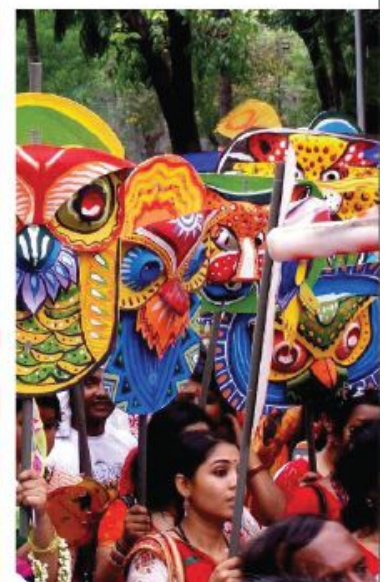

- Pohela Boishakh
- Basanto Utsob
- Durga Utsob
- Eid-UI-Azha
- Eid-UI-Fitar
- International Mother Language day

### Market Places:

- Basundhara City
- New Market
- Jamuna Future Park
- Aarong
- North Tower
- Pink City

# Daffodil International University

Founded in 2002, Daffodil International University is dedicated to excellence in teaching, research and service.

**F**ounded in 2002, Daffodil International University is dedicated to achieving excellence in teaching, research and service. It was established with a vision to develop competent students with IT, English & entrepreneurial skills, who can become the leaders we need tomorrow.

## The Vision:

To be a global leader in providing tertiary level education that produces graduates with high self-esteem who are able to accept challenges in a fast changing environment.

## Mission:

The Missions of the University are to:

- support research, design, develop and implement educational methods that nurture creativity and independent learning.
- promote research that is aligned with national development agenda, vision of digital Bangladesh, Millennium Development Goals (MDGs) and Sustainable Development Goals (SDGs).
- provide underprivileged and rural populace access to higher education.
- provide adequate skills training on areas that are in demand by local and global employers.
- develop and maintain industry linkages that help learning and research and gain access to jobs by DIU graduates and internationalize programs and activities to enhance global network and mobility

## Contribution:

- The first ever digital university in Bangladesh
- Global University
- CSR Practices recognized by Prime Minister  
Awarded for ICT Excellence by WITSA
- Introduced Bachelor of Innovation & Entrepreneurship to fulfill our commitment of developing entrepreneurs.
- Supported DCCI initiated "Creating 2000 Entrepreneurs" projects without any financial help
- Facilitated different types of sports facilities including Golf, where students can get trained by professional trainers.
- Introduced Art of Living programs for ensuring values among students
- Largest Green Campus in the country

## Campus Life:

There are lot of important facets of student's life and at our university we offer programs and services to equip them with meaningful learning experiences to expand their horizons. Students get scope for performing extracurricular activities and joining the student's societies. They get scope to earn experiences outside the Campus.

## Library:

DIU has a world class library with resources. To help our students excel in their chosen fields we have vast area of resources including e-library services where students can access to study from anywhere, anytime. Our staff can help them to develop their skills to enhance their learning and research capacity. Link of DIU Library: <http://library.daffodilvarsity.edu.bd>

## IT supports:

Our campuses have WiFi connectivity to support online study needs along with multimedia labs, smart card fast services, etc. They also find Software & Hardware support services from various concern of Daffodil.

## Study support:

Students at DIU get necessary advice and support on language skills, higher studies abroad, presentation skills, academic skills, career counseling etc.

## Work:

At DIU, we are dedicated to our student's success. We offer placement services to help students find jobs through career fair, spot job interview, industry academia connection, etc. We also offer training on skill development & career plan. Keeping this in mind, we introduced mandatory course Employability 360 degree.

### Accommodation:

We understand how important housing and accommodation is for students arriving from distance and overseas. Daffodil International University is the only private University in Bangladesh which is ensuring resident facilities for 8000+ students! The Hostels are rich, homely, as learning center. We also help students to find residence outside campus on request.

### Wi-Fi on Campus:

The students of us will have access to Cyberoam as all of our campuses have wireless network so students can use WiFi Network.

## CAMPUS Facilities:

DIU has a well equipped, vibrant city campus and largest Green Permanent Campus with all Academic, Social and other required facilities that a student never need to go far from his campus. The permanent Campus is just half an hour drive from the City Campus including all necessary facilities. Students find all the required support services like- We ensure student accommodation, well equipped lecture theater seminars and labs, guest house, golf playground, biggest hall, student support services, 24/7 security, IT Services, Sports facilities, medical services, cash point/ATM Booth for the students.

### Clubs & Societies:

Besides helping the students in their pursuit of academic knowledge, DIU promotes the enhancement of students' creative, cultural and social qualities by inspiring them to participate in and organize other activities. More: <https://daffodilvarsity.edu.bd/article/clubs>

Students hostel of DIU

## Special Services for International Students:

International Students faces challenges at every aspect of their study. Choosing the right career path to finding a suitable accommodation, we anticipate what services you may require from your arrival to graduation. We do it to ensure that your time at DIU be the most awarding time of your life.

### Orientation:

Office of the International Affairs will be the first contact point for our International Students for any question or inquiry they might have. Our officers will advise you on study related issues.

### Campus TV & Campus Radio:

DIU developed Campus TV (<http://www.campustv.ac>) and Campus Radio (<http://www.campusradio.ac>) where students areas the key role to conduct every events and programs online with their creativity and leadership.

### Access Support:

- To be a global citizen we encourage students to learn foreign languages through Daffodil Institute of Languages (DIL) (<http://dil.daffodilvarsity.edu.bd>)
- Health Services are ensured by qualified Doctors
- Career Services are ensured by Career Doctor at Career Development Center (CDC) (<http://cdc.daffodilvarsity.edu.bd>)
- Job Services are ensured by Skill.Jobs (<https://skill.jobs>)
- Encourage the young potential entrepreneurs by Daffodil Business Incubator (DBI) (<http://incubator.daffodilvarsity.edu.bd>) and Bangladesh Venture Capital Limited (BVCL) ([www.venture.com.bd](http://www.venture.com.bd))
- Students' support is ensured by Directorate of Student Affairs (DSA) (<http://dsa.daffodilvarsity.edu.bd>)

**“The education system of this university is based on technology focused international education.”**

# Education System:

The education system of this university is based on technology focused international education. The academic year has three semesters- Spring, Summer and Fall. The undergraduate degree is of four years duration. In every semester students take assigned courses. Each course is consisting of 3 or 4 credits. Students have to complete successfully certain credits definite for each program and degree requirements to obtain the degree with minimum CGPA 2.50. Masters programs are of one or two years. Diploma holders with outstanding result have opportunities for higher studies in any local or foreign universities. The medium of instruction of Daffodil International University is English.

## Learning Methodology:

We ensure learning environments and technology as part of our commitment to ensure best teaching technology. We have industry experts, teachers, scholars, experienced international experts also. We ensure students have the required competency as per the job market demand. We introduced the course 'Employability 360 Degree' for the students along with Internship and Externship/Apprenticeship program, Talent Hunt, etc. We also follow traditional classroom and laboratory based work, seminar workshop, e-learning facilities to ensure effective learning from class. We have Learning Feedback Systems which ensures students learn the class lecture and can follow their teacher after the class.

## How we teach:

We encourage the students to study independently here at the university and to gather information on taught modules, group discussion or to ask question which helps them to get clear idea on each topics. Also we organize seminar, workshops, invite industry leaders to speak on different topics.

- Class Lecture
- Workshop/Seminar
- Self Study
- Practical Lab Classes
- Industry Visit
- Problem Solving Assignment
- Project Works
- Learning Through Doing Session

International students from China, Turkey, Somalia, Nigeria and other countries

## Fees:

Getting admission at the University is a precious investment for future and therefore it is important to understand the cost involved.

## Tuition fee:

<https://daffodilvarsity.edu.bd/article/tuition-fee-international>

## Course Related Cost:

There might also be some course related cost that a student need to bear occasionally- Books, Computer Equipments, Study Tour, Research Work, Field Visit, Clothing, Camp and etc.

## Other costs:

Other Cost involved during the stay at Daffodil International University are-Accommodation Cost, Food Cost, Golf Membership, Health Club/Gymnasium membership cost and etc.

## Financial Aid & Scholarships

The University also offers different kind of Scholarships and Financial Aid considering the Financial Needs, Academic Merit, or both. If a student can meet minimum requirements for the awards, they are awarded the scholarship automatically. For details on scholarship:

### DIU Scholarship:

<https://daffodilvarsity.edu.bd/article/diu-scholarship>

### International Scholarships:

<https://daffodilvarsity.edu.bd/article/int-scholarship>

## Comments of Scholarship Awarded Students:

I was awarded with CCI Scholarship 2017-18 in Entrepreneurship and achieved hands on experience through internships and volunteering at leading organizations in the U.S. CCI is an incredible opportunity for achieving academic, professional, and leadership skills and networking by meeting leaders from around the world. Proud to be a CCI alumnus representing Bangladesh and Daffodil International University.

**Bhaskar Sarkar**  
(Department of CSE)

**Tamanna Binte Akbar**  
(Department of SWE)

Studying in South Korea as a full funded Korean Government Scholarship holder was something out of the world to me. The experience I got from this journey made me more confident for the real world. I am grateful to be a part of this amazing academic program. All thanks to my university, DIU.

In 2017, I got the chance to study at Karabuk University, Turkey as an exchange student. It was one of the best experiences I have ever had as an academic purpose or traveling the country. I went to Karabuk with my willingness to explore and learn and after the scholarship time I was more confident, open minded, with a wider network of friends and tons of great memories.

**Nahid Sultana**  
(Dept. of Business Administration)

**S.M. Rokanuzzaman Rimon**  
(Department of English)

I studied one semester under Erasmus+ exchange scholarship program at Mykolas Romeris University in Lithuania. It's an adventure indeed and at the end, it's all worth it. I have found a new positivity and discovering a new me. I feel lucky to get this opportunity and I am truly thankful to International Affairs and Daffodil International University for a life changing positive experience.

## Green Campus:

DIU Green Campus is a movement, the first of its kind in Bangladesh, which was launched in 2002. The initiatives of this movement are an important campaign to shape up the university as a model environmental community where academic programs and environmentally responsible behavior by all stakeholders go hand in hand. This movement aims to promote eco-friendly 'green projects' in order to ensure greener, cleaner, safer and healthier campus to work and live. Following the principle aim of the Strategic Plan of DIU to 'further enhance' its reputation as a 'Green University', DIU Green Campus initiatives are 'volunteer led', research informed' and 'practice focused'.

More details:

<https://daffodilvarsity.edu.bd/article/green-campus>

Green Campus for a better life of DIU students and nearby community

Following the principle aim of the Strategic Plan of DIU to 'further enhance' its reputation as a 'Green University', DIU Green Campus initiatives are 'volunteer led', research informed' and 'practice focused'.

**DIU Green Campus Projects:**

1. Forestation of Local Roads
2. Eco-friendly Design and development of buildings
3. Tree plantation (traffic islands, planned forestry & gardening, etc.)
4. Biogas plant
5. Beautification
6. Vegetation
7. Use of Solar energy/solar car
8. Use of by-cycle
9. Water conservation
10. Carbon management plan
11. Greenhouse gas reduction etc

**Campus Café:**

We have a focus on physical fitness of every students and therefore we ensure healthy diet chart for every students in the hostel. Also we have Start up Restaurant in every campus which is an ideal place for meeting friends and networking. The foods are sustainably and locally sourced, and cater for all requirements at an affordable cost.

**Industry Academia Lecture Series:**

To motivate the educated youths as well as building a bridge between DIU graduates with industry experts, Daffodil International University regularly arrange Industry Academia Lecture Series informing the struggle and challenges faced by the well-known entrepreneurs en-route to their success. For more: <https://cdc.daffodilvarsity.edu.bd/services/career-events/a-cademia-lecture-series.html>

**One Student-One Laptop:**

Being a 'Digital University' in line with the policy of Digital Bangladesh, DIU provides a laptop for each student free of cost with the mission of forging a digital society that will ensure an ICT driven knowledge-based nation. For more: <http://laptop.daffodilvarsity.edu.bd>

**Apprenticeship:**

DIU introduced Apprenticeship as a part to develop employability skills of the graduates. Under this program, best fit candidates will be finally recruited and groomed up as "Apprentice" under the top leader and decision making management of DIU and Daffodil Group, and other corporate bodies in future. For more: <http://apprenticeship.daffodilvarsity.edu.bd>

Some International students

Selected Apprentices of DIU after intensive selection & training sessions

# Our International Foot Step:

Office of the International Affairs of Daffodil International University (DIU) is an independent counseling section for students who want to be connected with the international academic world. Besides we also provide assistance to international students who want to study at DIU.

We are the dedicated information center for the overseas institutions interested in working with DIU. We have already created global academic partnership with almost 320 renowned universities and global institutions. Mutually we are working in the areas of student and faculty exchange programs, summer programs all around the world, scholarships, research collaborations, PhD programs, short-term training programs, international internships, international competitions, conferences and assisting in setting up new programs with partner institutions to establish a cross-cultural academic environment around the university.

At present deserving DIU students are getting the scholarships of around the sum of 45,000\$ every year

in world-renowned scholarship programs like Community College Initiative (CCI) Scholarship in the USA, Erasmus Mundus European Union Scholarships, Korean Government Scholarship Program (KGSP) in South Korea, Mevlana Protocol Scholarship in Turkey, Taiwan Experience Education Programs Scholarship, Chinese Government scholarship, Indonesian Government Scholarship (KNB Scholarship), Association of Commonwealth scholarship and many more.

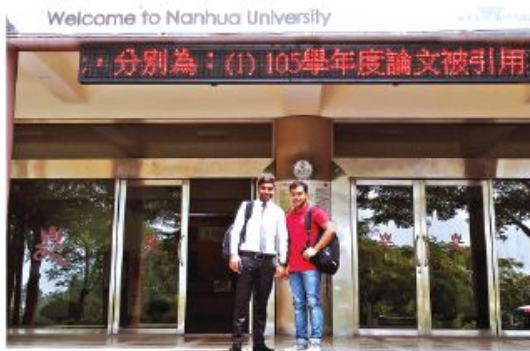

Many DIU students have successfully completed their scholarship programs and some are about to participate in countries like Poland, Portugal, Italy, Greece, Scotland, United Kingdom, Lithuania, Taiwan, China, Malaysia, Philippines, Russia, South Korea etc. DIU has PhD students having their scholarship programs in Universities like Kalinga Institute of Industrial Technology, Chungnam National University, University Sains Islam Malaysia and so on.

Dr. Md. Sabur Khan, Founder & Chairman, DIU & Daffodil Group attended 17th Asian University Presidents Forum (AUPF) in Indonesia

DIU student attended ACU residential school 2017 under full scholarship

DIU students at Nanhua University under Taiwan Experience Education Scholarship

DIU student Studied in DSU, South Korea under KGSP Scholarship

DIU student is studying with CCI Scholarship in USA for 2018-19 session3

International Affairs of DIU is continuing regular exchange programs with international partner universities over the years. DIU students are participating in different exchange programs like Mevlana Exchange protocol in turkey, Exchange program with Dongseo University South Korea, SIAS International University China, University of Birjand Iran, VIT University, India, St.Petersburg Electrotechnical University, Russia, Staffordshire University UK, etc. Many International students from China, South Korea, Taiwan, Japan, Nepal, Philippines, Sri Lanka etc are having fruitful cross-cultural experiences in DIU through Exchange programs.

Under the faculty Exchange programs in the year 2018, around 24 professors from distinguished partners like Chungnam National University, Taiwan, University of Jammu, India, Hunan University of Humanities, China, Universitas Islam Sultan Agung (UNISSULA) Indonesia, Lyceum of the Philippines University, Philippines, KIIT University India etc attended DIU as exchange faculties.

In recent years, DIU students and faculty members are participating vibrantly in international competitions like- Social Business Creation Competition 2018 and 2016 organized by HEC Montreal in Canada, Hult Prize 2018 in Singapore, Get in the Ring 2018 in Portugal, Rivera Cultural Fest at VIT University in India, SIAS Cultural Week 2018 in China, IEEE SS12 2018 in Srilanka, Global Student Leadership 2018 in South Korea, Unleash Innovation Lab 2018 in Singapore, 2nd International Art Creativity and Engineering Exhibition in Indonesia, Student English Speech Competition in South Korea, NASA Space Apps challenge, DIU Solar Car in ESVC'15 in India, ISAS logo Competition in Thailand, Global Leadership program in Malaysia and many more. DIU students are proving themselves as worthy global citizens by their positive results and leadership out there.

Daffodil International University is hosting international conferences, events, seminars, summer and winter program like International Social Business Summer Program (ISBSP) for the year 2016, 2017 & 2018, Youth4SDG Asia Leadership Program 2018, SIAS DIU Winter Camp 2018 & 2019, International Convention on Students' Quality Control Circles (ICSQCC-18), Korean IT Volunteers Program, 19th IAGBT-KIRTI Biannual Conference and Research Symposium, International Summer School of Human Rights, XI Asian-Pacific Astronomy Olympiad (APAO), ACM International Collegiate Programming Contest, International Workshop on Achieving Corporate Social Responsibility, Ethics and Corporate Governance in Higher Education, "The New Paradigm of Success: How to Start and Grow Your Business Locally and Globally, Need for Changes in the Course Curricula of Business Schools: Positioning & Competency of Business Schools in BIMSTEC Region, Bangladesh-Sri Lanka Youth Exchange Program, Global Money week, Bangladesh Summit, Global Entrepreneurship Week, Innovative Teaching and Learning Expo (ITLE) and so on.

Daffodil International University is one of quality and safe destinations for international students in Bangladesh. At present around 630 international students are studying in DIU from more than 9 different countries like Turkey, Nigeria, Somalia, Nepal, Taiwan, Ethiopia, Kenya, Indonesia and South Korea.

## Feedback from International Students:

**Orhan Alibas**

Department of English  
Country: Turkey

I came here to study 5 years ago, and I wanted to study Department of Architecture but, I changed my mind to study English in DIU. I started to study in Department of English and found that teachers are really helpful and kind. I am really happy to be member of Daffodil Family. When I came to Bangladesh I didn't know anything about English, if I speak English now that is daffodil success.

Though I approached many universities in Bangladesh to pursue my Master of Public Health degree, I chose Daffodil International University as I could sense their high level of professionalism through their emails. They were helping us in every aspects and their reply was prompt, clear and to the point. However, lots of doubts were still there before joining this university, but the environment I found here was far better than anticipated. From the reception of university at the airport to the administrative staff, faculty members, management and fully dedicated employees of international students department, all were very serious about their work and not even a single day from the day of my arrival, they have let me felt that I am in a foreign country. This technology-friendly is already great but they never cease to improve it whenever there is a slight room for improvement.

**Bed Prakash Sharma**

Department of Public Health  
Country: Nepal

**Usman Mohammed tomsu**

Department of Software Engineering  
Country: Nigeria

I am feeling very much happy to have the opportunity to study in DIU. I have lots of friends here and everybody is so much helpful. Though I sometimes it is difficult to settle yourself abroad but as a DIU student I am welcoming international students to come and explore the beautiful world of knowledge in DIU.

I love to be in this peaceful country. With the help of the authority and the friendly people here I face no problem to live a happy and healthy life. On behalf my friends and me, I want to thank DIU for providing us with best care and learning curriculum. DIU is the best internationalized university in Bangladesh which treats international students the best.

**Mursal Elmi Omer**

Dept. of Business Administration  
Country: Somalia

**Yen Chiao Wen**

Dept. of Business Administration  
Country: Taiwan

I am really honored to do a student at DIU in Bangladesh. This place has such passionate people and wonderful culture. Especially, the students of Daffodil International University are very kind and helpful, whenever I faced any problem they taught me patiently. We learned a lot of things and had good memories in DIU. So choosing Daffodil International University was a great decision, it let me had a good education and a wonderful university life.

By my experience, I know that Bangladesh is the best country in terms of hospitality. My classmates here became my friends and I do enjoy my study period here. Daffodil International University provides great study & research experience here. From the core of my heart I want to show my gratitude to DIU.

**Seibu Kiribayashi**

Department of Textile Engineering  
Country: Japan

## MEMBERSHIPS:

Daffodil International University is the member of world renowned educational organizations which helps DIU students to avail opportunities from around the world to be connected with academic institution from around the world. Some of those organizations are:

Dr. Md. Sabur Khan, Chairman of DIU elected as 2nd Vice President of Association of Universities of Asia and the Pacific (AUAP).

# Important Information on DIU Degree Programs:

Different courses/programs at DIU have different entry requirements that applicants are expected to meet in order to get entry into their programs of choice. For entry into undergraduate degree programs, DIU recognizes secondary education qualifications, and to get entry into our post-graduation programs students need to show their bachelor degree papers and work experiences in some cases.

In addition to this, students need to submit sufficient credentials to support their application for admission. The additional requirements vary, depending on the program they are applying for.

## English language requirements:

English may not be the first language for many applicants. Candidates may be required to provide satisfactory evidence of English language proficiency.

## Admission Eligibility

### 1. Admission Requirement for B.Sc in Computer Science & Engineering/ Electronics and Telecommunications Engineering/ Electrical and Electronic Engineering/ Textile Engineering/ Software Engineering/ B. Sc. in Multimedia Technology and Creative Arts/ Applied Dietetics and Food Technology :

Students having minimum 2.5 GPA both in SSC and HSC from Science or any equivalent background with Mathematics & Physics may apply for admission in B. Sc. in Computer Science & Engineering/ Electronics and Telecommunications Engineering/ Electrical and Electronic Engineering/ Textile Engineering/ Software Engineering/ Environmental Science and Disaster Management/ Applied Dietetics and Food Technology.

Students completing five O-level subjects and at least two A-level subjects with at least GPA 2.5 (Below C grade in any subject is not acceptable) may apply for admission. The applicants must have Physics and Mathematics both at O-level and A-level.

### 2. Admission Requirement for Bachelor of Pharmacy/ B. Pharm. (Hon's)

Students having minimum 2.5 GPA both in SSC and HSC from Science or any equivalent background with Biology may apply.

Students completing five O-level subjects and at least two A-level subjects with at least GPA 2.5 (Below C grade in any subject is not acceptable) may apply for admission. The applicants must have Biology both at O-level and A-level.

### 3. Admission Requirement for Bachelor of Business Administration (BBA)/ Bachelor of Real Estate (BRE)/ B.Com Hon's/ B.A Hon's in English/ LL.B Hon's/ BSS in Journalism and Mass communication:

Students having minimum 2.5 GPA both in SSC and HSC or any equivalent background from any group may apply for admission in BBA. Completing five O-level subjects and at least two A-level subjects with at least GPA 2.5 (Below C grade in any subject is not acceptable) may apply for admission.

### 4. Admission Requirement for Master of Business Administration (MBA):

#### Regular MBA:

Students having minimum 6 points up to graduation from any group like BBA/ B.Com Hon's/ BA/ B.Sc/ M.Com/ MA/ M.Sc/ MBBS or any equivalent background may apply for admission in MBA (Regular) program.

#### Executive MBA:

- BBA/ M.Com. or
- MA/ M.Sc/ B. Sc Engineering/ MBBS/ PGDM or its equivalent with at least 2 years job experience. Or
- B.Com (Hon's) with 3 years job experience in related field. Or
- Graduation with 4 years job experience in related field.

### 5. Admission Requirement for M.S. in Management Information System (M.S. in MIS)

4 years graduation in the field of Mathematics/Statistics/Physics or any other related field.  
 or 4 years graduation in the field of Business/Computing. They will be exempted some of the courses related to the subjects studied in graduation level.  
 or Any graduation with minimum 4 years practical experience in the field of Business/Information Technology/Information Systems Management.

### 6. Admission Requirement for M. Sc in Electronics & Telecommunication Engineering (M. Sc in ETE)

- The applicant must have a 4-years Bachelor's degree or a 3-years Bachelor's degree with 1-years Master's Degree in Electrical/Electronics/Telecommunication Engineering or, Physics or, Applied Physics from a university or an accredited institution of higher education. However, applicants who do not have adequate background for the program may have to take additional remedial undergraduate level courses.
- The applicants having minimum CGPA of 2.5 (on a scale of 4.0) or equivalent, or at least second class in the Bachelor's degree are eligible for admission.
- The applicant must have completed the enlisted prerequisite courses or their equivalent. An applicant, not completing the enlisted prerequisite courses, will be admitted on condition that he/she completes these courses within two years.
- A maximum of 9 credits are transferable from other universities. The residency requirement is 21 credits including Master's Thesis.

### 7. Admission Requirement for M. Sc in Computer Science & Engineering (M. Sc in CSE)

- Completion of B. Sc degree with strong background of Physics and Mathematics from a university or an accredited institution of higher education.
- The applicant must have CGPA of 2.5 or above (in a scale of 4.0), or at least second class in the B. Sc degree. The applicant must have at least second division or GPA 2.5 in SSC and HSC.
- The applicant must have completed the enlisted prerequisite courses or their equivalent.
- Applicant, who has not completed the enlisted prerequisite course, will be admitted on condition that he/she will complete these courses in one or two semesters.

# Application Process for International Students

From the inception international students have been an intrinsic part of the university. Daffodil International University is committed to enroll a student crowd that includes students from around the world. The interactions among students with different backgrounds and experiences create a dynamic environment in to learn and live with pleasure.

## 1 How to Apply:

**STEP 1:** Select the program for which you wish to apply.

**STEP 2:** Send your details to the International Admission Officer at Daffodil International University or to a representative office in your home country. Make sure the necessary documents are attached with the mail.

**STEP 3:** Copies must be certified by either an authorized officer of the official records department of the institution that originally issued the document, or by an authorized officer of the home country.

If qualifications were obtained under a former

name, please attach your present name to the documents. Certified translations must accompany documents that are not in English.

Evidence of graduate status should indicate that the academic requirements of the course have been completed or that the award has been conferred.

## 2 Await your offer:

Assessment of the application takes 2-4 weeks.

If we require more documents to assess the application, that will be requested from the candidates.

Assessment of the application delayed until we receive the documents.

## 3 Accept the offer:

Once the university has received your application the candidate will get a confirmation notice.

If the application is successful, university authority will send a letter offering a place. The letter will also outline the conditions candidate must meet, fees payable, and the course commencement date.

If the application is unsuccessful, we will send a letter explaining why.

## 4 Apply for the VISA:

The candidate needs to apply for the students VISA after receiving the offer letter.

The offer letter will be sent to the candidate via email.

## 5 Receive the offer letter: (After arrival)

The offer package consists of:

- Letter of Admission.
- Admission Form.
- Payment form
- University Guide

Details regarding Eligibility, Admission Procedure, Fees and Accommodation are available at the University Website: [www.daffodilvarsity.edu.bd](http://www.daffodilvarsity.edu.bd)

For further information or clarification, E-mail: [international@daffodilvarsity.edu.bd](mailto:international@daffodilvarsity.edu.bd)

Career Development Center (CDC) is responsible for arranging workshop, training programs, seminar, symposium, job fair in intrauniversity and interuniversity level on regular basis for the professional growth of the students. Together with the internship placement CDC also helps our students to get both part-time and full-time positions. CDC is also working to build up relationship with the well established local and multinational companies to create opportunities for the graduates of the university.

Human Resource Development Institute-HRDI's goals are to supplement the work of Daffodil International University in the following areas:

To design, produce and implement courses that supplement subject skills and help students learn and perform better.

- To arrange networking with industry as well as arrange project work together with internships.
- To provide industry solutions.
- To provide students with access to professional IT certification courses that would help in getting better jobs.
- To help Daffodil International University in advocating strategic ongoing improvement given the feedback from industry to focus resources, enhance productivity and improve service throughout the university.

## Research Center

- The goal of the Research Centers is to encourage, conduct, and publicize research. Students and faculty members get various support services from the research centers.
- It also arranges study tours, seminars, and workshops all of which contribute to the advancement of knowledge.

## Daffodil Institute of Languages (DIL):

Daffodil Institute of Languages (DIL), associated with Daffodil International University (DIU), is out in existence to help students with language proficiency. It offers various courses on foreign languages like English, French, Spanish, German, Arabic, Chinese, Japanese and Korean. It also offers Basic Bangla course for foreigners. It has both short and longer courses. If you are interested in learning English or other foreign languages for academic, professional or personal needs, we will be more than happy to assist you in fulfilling your language acquisition goals. Our mission is to guide you through the language learning process in a progressive way to satisfy your needs. Our curriculum emphasizes preparing individuals for highest academic and professional success

DIU Alumni Association was established with the initiative of some of the former students of Daffodil International University on January 9, 2009. The Association is dedicated for helping the students of DIU and the worthy members in this association with special projects and activities.

### **Startup Bangladesh:**

Startup Bangladesh Startup Restaurant & Café has been thought to create a platform through which young, energetic and dedicated startup entrepreneurs as well as established entrepreneurs can be benefited. It is a place for Entrepreneurs, Young or Potential Entrepreneurs to learn, share, network, market and grow together. It offers an ideal environment for the young and potential entrepreneurs which are equipped with all the required facilities to start their business relations.

### **Scope to serve the community:**

We welcome the students to take part in community development services and education reflection initiative which are best way for understanding the society. The mission of this initiative is to help the community and also the students to achieve the professional skills, be the active citizen, broaden the scope of educational experiences, earn the technical and practical knowledge required in serving the industry and as a whole to serve the country in a meaningful and beneficial way.

### **Clubs at DIU:**

Besides helping the students in their pursuit of academic knowledge, DIU promotes the enhancement of students' creative, cultural and social qualities by inspiring them to participate in and organize other activities. For the purpose, a set of clubs has been introduced to the students.

#### **The clubs are:**

Business and Education Club, Cultural Club, Debating Club, Social Business Students' Forum, English Literary Club, Computer and Programming Club, Sports Club, Photographic Society, Daffodil Prothom- Alo Bondhu Shova, Nature Study Club, Health Club, Communication Club, Daffodil Moot Court Society, Textile Club, Creative Park, Software Engineering, Voluntary Service Club, Air Rover Wing, School of Entrepreneurs, Robotics Club, All Stars Daffodil, Adventure Club; DIU Model United Nations Association (DIUMUNA), Real Estate Association, Bangladesh National Cadet Corps (BNCC), DIU Film Society, Business Round Up & Motivational Cell (BRMC), Change Together.

## Director of Students Affairs:

Director of Students Affairs (DSA) helps the students through advising, supporting, leadership development, promote interaction and familiarity among diverse racial, ethnic, international and political perspectives, support healthy habits and lifestyles, provide outstanding career counseling and experiential education. A variety of projects and initiatives taking place around campus are run in conjunction with Student Affairs where DSA is intimately involved to explore the individual, interpersonal, and institutional factors that contribute to the development of healthy and fulfilling lives for students in college and beyond.

Daffodil International University initiated Enterprise Competitiveness Institute (ECI) in 2004 with the recommendation of International Trade Center (ITC).

The objective of ECI is to support the business sectors of developing and transition economy, helping them to realize their trade potential by sharpening their ability to compete in the international market place. The initiative for formation of ECI is one of the pioneer private initiated movements in our country.

Bangladesh Venture Capital Limited (BVCL) is so formed to provide early stage funds for the new business ventures. BVCL is encouraging the young generation, specially the students to feel BVCL as their friendly element (funds) of ideations and innovations.

Daffodil Business Incubator (DBI) speed up and systematizes the process of creating successful enterprises by providing an ample and integrated range of support, including incubator space, ensuring business support services, and proving every scope for clustering and networking. DBI also offers new companies the opportunity to rub elbows with others in their world.

We like to say that DBI infrastructure is for creative people to define the new economy. Incubation projects are designed to address the following challenges:

- Appropriate office space
- Appropriate support services
- Professional networking

# Our initiatives with Nobel Laureate Professor Muhammad Yunus

Zeroing poverty, Unemployment & Net Carbon Emissions

Professor Muhammad Yunus is the Father of Social Business & Microcredit who was awarded Nobel Peace Prize in 2006 as the first Bangladeshi Citizen. In this connection, DIU is one of the first universities working on Social Business Movement since 2011. Later on the university has established the Yunus Social Business Centre with MoU with Yunus Centre. The University has created online platform for training students about Social Business. Besides online courses, this platform has also developed Social Business Game first time of its kind. As the part of offline training, the university has inaugurated certificate courses, summer and exposure Programs on Social Business. Social Business Design Lab of DIU has been creating entrepreneurs to solve unemployment problem of the country. DIU Social Business Students Forum (SBSF) has been working on poverty free world campaign in the light of Social Business.

joined this exclusive summer school on Social Business. It's a two weeks long program that provides an introduction and a deeper understanding on Social Business Concept of Nobel Laureate Professor Muhammad Yunus. Every year during the month of July, ISBSP being hosted by DIU in collaboration with Yunus Centre. For more details: <https://isbsp.daffodilvarsity.edu.bd>
