

# JUNE LAMBO-PRIETO, DBA

## DEAN – ABM DEPTMEN, SAN PEDRO

### PROFESSIONAL SUMMARY

Value-focused professional with diverse transferrable qualifications comprising operations, compliance, and human resource functions. Ability to improve organizational effectiveness through critical analysis and problem-solving. Fifteen-year track record developing and leading performance-driven teams with common vision and commitment to the organization mission.

### ACADEMIC HISTORY

Post-Graduate: <b>Doctor of Business Administration</b>	2012 – 2017
Graduate: <b>Masters of Business Administration</b>	2001 – 2003
College: <b>Bachelor of Science in Accountancy</b>	1993 - 1997

### WORK EXPERIENCE

<b>Dean, ABM Department</b>	2018 - Present
<b>Department Coordinator</b>	2012 -2018
San Pedro College / Davao City, Philippines	

- Program Quality and Accreditation – directing and guiding strategic planning; ensuring program quality and student learning outcomes; supporting accreditation and faculty-led assessment efforts; ensuring appropriate training and professional development opportunities for faculty to develop and enhance their academic and professional qualifications
- Student Success – providing an effective learning environment that ensures the academic success and timely graduation of all students through strategic enrollment planning and effective utilization of resources; partnering with others on campus to implement the student enrollment plan
- Resource Enhancement – actively collaborating with Advancement to establish mutually beneficial relationships with alumni, community partners and international linkages to advance College and department initiatives, goals, and priorities; creating an environment that fosters the increase of externally funded research and contracts, as well as international supported instructional programs through extended learning
- Outreach and Strategic Communication – consulting with Public Affairs to develop and execute an internal and external strategic communication plan; developing and sustaining collaborative relationships with school districts in our service area and other community partners
